Subject: Thank you

Dear Dr. Johns,

Thank you for giving me the opportunity to speak at tonight's meeting. I commend you, vice chairman Glowacki and the board for maintaining your composure and decorum under extreme fire. You were respectable, listened and demonstrated interest in the remarks of your constituents. I apologize for those who were disrespectful or wasted your and my time by not addressing the issue. While I may not agree with some of your policies, I admire your honorable and decent demeanor. I look forward to hearing the results of your investigations into this matter.

Sincerely,  
Paul
